

An unusual point of view to a Unique Market

Matching your needs

precisely

AVBA strives to be the perfect supplier for matching your precise technological needs of equipment and products by delivering *unique skills, creativity* and *professionalism*.

This year we celebrate the 30th anniversary of our company's establishment, and last year we entered our new and permanent offices in Yokne'am Illit Science Park, combining a unique architectural design, a large and comfortable work space and a sophisticated service laboratory that match the company spirit.

Among Our Fields of Expertise:

- *Nano Fabrication* E-beam Lithography, FIB, 3D NanoPrinting
- *Electron Microscopy* HR cameras, TEM Spectroscopy
- Surface & Micro Analysis
